SUBJECT.

Passing orders on the petition of the Priests of the two Jangam Mutts at Kundur in Malvalli Taluk, praying for the restoration of certain Inam lands resumed at the Inam Settlement.

Memo

In the Sarvamanyam village of Kundur, in Mala- valli Taluk, certain minor Inams to the extent of 59 acres & fuintas and assessed at Rs 34 - 14 - 6 had been granted to two Jangam Matts in the village - known as the Bodda Matt and the Chikka Matt - under a Sannad dated 10th February 1822. During the Inam Enquiry in 1880, one of the Matt buildings, viz, the Chikka Matt, was found in - dilapidated condition and in consequence the Inam lands assigned to both Matts were resumed

Assessment according to Survey Rs 26-4-0

resumed because they came under one single grant The resumed lands were then fully assessed and the assessment imposed was added on to the jodi payable to Government by the Sarvamanyadar on the whole village.

2 The Anyahs or Priests of these matts have now petitioned the Government stating that the Chikka matt has been re-constructed* and praying for the restoration of the resumed Inam lands.

3 From the records submitted by the Deputy Commissioner it appears that, after the resumption of the Inam lands were registered by the

* Not actually as alleged. But matt building enlarged by the another buildings and the whole improved at an outlay of 5 or 6 thousand Rupees, and the Anyahs of both the matts live in these premises, the priest of the Chikka matt being a disciple of the other.

the Survey Department in the names of the Matts, and that for a year, the Kandayam was paid by the Ayahs of the Matts; but subsequently, these having gone out without arranging for the cultivation of the lands and payment of the assessment, the Kandayam fell into arrears for 3 years and thereupon the Sarvamanyadar took possession of the lands and granted the same, in the year 1886, to certain ryots on Kandayam tenure. These ryots have since been in the possession and enjoyment of the lands paying full assessment to the Sarvamanyadar,

and they now decline to give
up the lands to the Matts re-
presenting that they have been
in possession thereof for up-
wards of 10 years during which
they have improved the lands
at a large outlay and that
they hold no other lands to
maintain themselves with.
Only the Patel of the village
who cultivates a small
portion of the said Matts'
Inam lands expresses his
willingness to give up his
portion because he is Disciple
of the Matt. In these circum-
stances the Assistant Com-
missioner who held the
inquiry proposed to the
Deputy Commissioner that

the

the Matt might be granted either

(1) a cash allowance equal in amount to the assessment imposed on the resumed Inam lands;

or (2) equivalent waste lands in the adjoining Government village.

The Priests however have declined to accept either of the proposals and urge for the restoration of the very lands resumed at the Inam Settlement

4. The Deputy Commissioner in reporting the case for the orders of Government remarks that it is hard to deprive the ryots of the possession of the

the lands which they have been holding for a long time and recommends the matts being granted a Cash allowance equal to the assessment on the resumed Inam lands.

~~It is~~ Recite facts and say that ~~it is not possible to disturb rights which have grown up as regards~~ the Govt cannot interfere with the ~~existing~~ rights of the tenants holding the lands in question under the holder of the Inam village. These rights have arisen owing the default of the Ainjas of the matts to pay assessment & the Inamdar & they must bear the Consequence of this default. The Govt are willing to ~~restore~~ grant ~~Them matts~~ on the usual terms, ~~the~~ a ready money allowance or Govt lands, of the Value of the Inam resumed on the ground of neglect of the Institutions.

As the matts are reported now to be restored & duly maintained

Since the Lands were resumed in 1880 they were in the possession of the Sarvamanyadar of the village for a short time, and then they passed into the hands of the Ryots who are unwilling to make over the Lands to the Mutt as they were improved at a large outlay. It is hard to determine

The petitions received with your office memos nos 973, 265 and 618 dated 5th March 1896, 19th August and 29th November 1897 respectively are herewith returned.

that in the Sarvamanya village of Kundur in the Malavalli Taluk, certain minor inams to the extent of 59 acres, 8 guntas and assessed at Rs 34-14-6 had been granted to two Jangam matts in the village - known as the Dodda matt and the Chicka matt - under a Sanad dated 10th February 1822. During the Inam enquiry in 1880, one of the matt buildings, viz, the Chicka matt, was found in dilapidated condition, and in consequence

the Inam lands assigned to both matts were resumed because they came under one single grant. The resumed lands were then fully assessed and the assessment imposed was added on to the Jodi payable to Government by the Sarvamanyadar for the whole village.

2. The Aiyas or Priests of these matts have now petitioned the Government stating that the Chicka matt has been re-constructed and praying for the restoration of the resumed inam lands.

3. From the records

Department in the names
of the Mattis, and that
for a year, the Kandayam
was paid by the Aiyas

These ryots have since been in the possession and enjoyment of the lands paying full assessment to the Sarvamanyadar and they now decline to give up the lands to the Mutta representing that they have been in possession thereof for upwards of 10 years, during which they have improved the lands at a large outlay and that they hold no other lands

Cash allowance equal to the assessment on the resumed inam lands.

5. With reference to the above, the Govt. observe that they cannot interfere with the rights of the tenants holding the lands in question under the holder of the Inam village. These rights have arisen owing to the default of the dinyas of the matts to pay assessment to the Inamdar and they must bear the consequence of this default. Docket No. 206, dated 5th April 189[illegible] the Deputy Commissioner, Mysore District, ttmg the Vernacular records,

No. 234, DATED BANGALORE, 10TH AUGUST 1898.

ORDER.—From the papers read above it is observed that in the Sarvamanya village of Kundur in the Malvalli taluk, certain minor inams to the extent of 59 acres—8 guntas and assessed at Rs 51-14-[illegible] (Assessment according to Survey No. 26-4-[illegible]) had been [illegible] to Jangam Matts—known as the Dodda Matt and Chikka Matt—under a Sannad dated 10th February 1822. During the Inam enquiry in 1880, one of the Matt buildings, *viz.*, the Chikka Matt, was found in dilapidated condition, and in consequence the inam lands assigned to both Matts were resumed because they came under one single grant. The resumed lands were then fully assessed and the assessment imposed was added on to the Jodi payable to Government by the Sarvamanyadar for the whole village.

2. The Aiyas or Priests of these Matts have now petitioned the Government stating that the Chikka Matt has been re-constructed and praying for the restoration of the resumed inam lands.

3. From the records submitted by the Deputy Commissioner, it appears that after the resumption of the inam, the lands were registered by the Survey Department in the names of the Matts, and that for a year, the kandayam was paid by the Aiyas of the Matts; but subsequently, these having gone out without arranging for the cultivation of the lands and payment of the assessment, the kandayam fell into arrears for three years and thereupon the Sarvamanyadar took possession of the lands and granted the same, in the year 1886 to certain raiyats on kandayam tenure. These raiyats have since been in the possession and enjoyment of the lands paying full assessment to the Sarvamanyadar and they now decline to give up the lands to the Matts, representing that they have been in possession thereof for upwards of ten years, during which they have improved the lands at a large outlay and that they hold no other lands to maintain themselves with. Only the Patel of the village who cultivates a small portion of the said Matts' inam lands expresses his willingness to give up his portion because he is a disciple of the Matt. In these circumstances, the Assistant Commissioner, who held the enquiry, proposed that the Matts might be granted either a cash allowance equal in amount to the assessment imposed on the resumed Inam lands, or [illegible] lant waste lands in the adjoining Government village. The Priests ho[illegible], have declined to accept either of the proposals and request the restoratio[illegible] the *very lands* resumed at the Inam Settlement.

4. The Deputy Commissioner in reporting the case for the orders of Government, remarks that it is hard to deprive the raiyats of the possession of the lands which they have been holding for a long time and recommends the Matts being granted a cash allowance equal to the assessment on the resumed inam lands.

5. With reference to the above, the Government observe that they cannot interfere with the rights of the tenants holding the lands in question under the holder of the Inam village. These rights have arisen owing to the default of the Aiyas of the Matts to pay assessment to the Inamdar and they must bear the consequence of this default. As the Matts are reported now to be restored and duly maintained, the Government are willing to grant them, on the usual terms, a ready money allowance or Government waste lands of the value of the inam resumed on the ground of neglect of the institutions
